I hereby certify that the above figures are correct and true, according to the best of my knowledge and belief, based upon balances after audit by Town Auditors.

ARTHUR E. SEAVEY,
Town Clerk

Thanks.

Because so many of us work on shifts which make for difficult contact with me, time has been a big problem. By mutual acceptance of this, we have been able to solve contact problems satisfactorily. By letters, telephone calls, and by driving to individuals' homes after work I have, I hope, simplified the problem of contact for some of you and made this a very pleasant and successful year.

I wish to thank the Townspeople for accepting this with such good grace.

Arthur E. Seavey

REPORT OF THE NEW HAMPTON PLANNING BOARD

The New Hampton Planning Board met ten times during 1966. The Board was hampered in making early progress by the red tape and delay in getting the Urban Planning Assistance Grant approved at the Federal and State levels. This, and the signing of the contracts with Klunder Associates were effected May 31, 1966.

In February Miss Hope Swain was elected to fill the unexpired term of Mrs. Mary Moody.

In March the Board suffered a great loss by the death of John Cabot White. Mr. Ellis Frank was appointed by the Selectmen to fill Mr. White's unexpired term of five years.

At the July meeting, Mr. C. Waring Blackburn of Klunder Associates presented the results of the Survey Findings performed in the summer of 1965. The September meeting began the study and examination of Base maps and discussion of the Economic Base Study. Mr. David Scott, Principal Planner for the State attended this meeting.

In October various Board Members began attending the Community Planning Seminar under the joint sponsorship of the Office of Planning and Research - Department of Resources and Economic Development - University of New Hampshire. There were ten sessions running from October 5 through December 7, 1966. The Planning Board was presented a certificate for its participation in this seminar.

At the October and November meetings the Board dealt with interim reports and maps of Population, Land Use and Environmental Conditions, Sewage and Water Works. The Board went on record as being favorable to a Class B Clas-

sification of the entire Pemigewasset River, in accordance with the wishes of the voters. In addition it was voted to insert an article in the Warrant relative to Subdivision Regulations.

A special Public Meeting of the Planning Board was held at the Town House on November 22, 1966. Forty-one townspeople attended.

After the Board had given many thoughtful hours considering the Town's need for a Fire House, Town Garage and Municipal Offices, it was voted to insert an appropriate article in the Warrant. Much consideration has been given of the desirability of acquiring a Public Beach site for further development of the Recreational Assets of the Town. The Board is mindful of the need to preserve the historical aspects and natural resources of the Town of New Hampton.

It is hoped that the Board will complete its comprehensive plan so that it will be available to the voters during the fall of 1967 and so that additional recommendations can be made for Town action by the voters at the next Town Meeting.
